A MEMORIAM FOR A DECEASED TEACHING ELDER OF ORANGE PRESBYTERY

LEADER: "Behold, I looked and saw a vast throng, which none could count, from every nation, of all tribes, peoples, and languages, standing in front of the throne and before the Lamb. They were robed in white and had palm branches in their hands, and they shouted together:

PEOPLE: "Victory to our God who sits on the throne and to the Lamb!"

LEADER: "And all the angels stood around the throne and the elders and the four living creatures, and they fell on their faces before the throne and worshipped God, crying:

PEOPLE: "AMEN! PRAISE AND GLORY AND WISDOM, THANKSGIVING AND HONOR, POWER AND MIGHT, BE TO OUR GOD FOR EVER AND EVER! AMEN!"

HERMAN JAMES WOMELDORF

Herman was born on July 21, 1901 of staunch Presbyterian parents in Lexington, Virginia. He was married to Ruth Neal Walker of Columbia, Mississippi, a graduate of the Presbyterian School of Education. From this marriage are two children, Ann Neal, the wife of J. E. Noland, a Raleigh attorney and Herman, Jr., a ruling elder in the Lexington, Virginia Church and three grandchildren.

After graduating from Washington and Lee University and Union Seminary in Richmond, Herman was ordained by Winston-Salem Presbytery and served as President of Glade Valley School. Feeling the call to the pastorate he left this field to become a home missionary in Lexington Presbytery. The record of his places of services are found in the "Ministerial Directory." From there we learn that he was pastor in churches in West Virginia, Virginia, North Carolina, South Carolina, Kentucky and Georgia, as well as teaching in Converse College for four years. Two of his pastorates were in this presbytery, namely, Yanceyville and Bethesda and the Triangle Church where he was the organizing pastor.

Herman retired in 1972 but feeling that he yet had some years of service to give served the Edisto Island Church for eight years during which time the church took on new life, built and paid for a Christian Education building.

Herman and Mrs. Womeldorf came to Raleigh to live in 1981. He died after an extended illness on November 11, 1982. A memorial service was held in White Memorial Church of Raleigh for him conducted by Dr. H. Edwin Pickard and the Reverend Harland Merriam. He was buried in Lexington, Virginia.

How does one sum up this man and his ministry? He was a truly great pastor and friend, a faithful preacher and administrator, an organizer and builder of churches, a Christian Educator, a loyal presbyter and one who always had a great sense of humor. Our Church, which he loved with all his heart and mind has produced few if any men who contributed more to our Lord's Kingdom.

During the service of worship, former Moderator Jane Rourk addressed the court regarding Reconciliation.

LUNCH

The Presbytery adjourned at 12:35 for lunch.

B. That in response to the motion of the court that something like the old "Home Mission Board" be formed, the following proposal jointly recommended by the Church Development Section and the Commission on the Minister be approved as follows:

   The Commission on the Minister and the Church Development Section of Council shall work together (by means of a joint committee) closely examining each request from a church for sustentation.

   Our purpose will be to supply needed ministry at an affordable cost to the church. The long range intention is to develop self-sustaining churches with appropriate ministerial leadership which may take the form of full-time or part-time, or "tent-making" or stated supply or other allowable ministries. To accomplish this end, the Commission and the Section (Council) will work with each church which requests sustentation to:

a. enable churches to become what they wish to be and can reasonably expect to be

b. provide the type of assistance needed, financial or otherwise

c. develop a covenant between the church, the Commission and the Section (Council) detailing: (1) responsibilities, (2) resources, (3) goals to be achieved and (4) time frame for the covenant

It is not our intention simply to dole out money. Rather it is to develop strong self-supporting churches.

A motion from the floor passed as an amendment: That the salaries of all ministers of Orange Presbytery be brought up to Presbytery's Minimum, retroactive to January 1, 1983, since Orange Presbytery's Contract with ministers clearly states that Orange Presbytery will assure that all salaries conform to the minimum.

CALLING FOR A HALT TO THE NUCLEAR ARMS RACE

WHEREAS we believe that God is creator and has placed the earth and all its resources under human care and stewardship;

WHEREAS Jesus Christ, the Prince of Peace, called us to be peacemakers;

WHEREAS the current nuclear arms race potentially threatens the continued existence of civilization as we know it and the lives of hundreds of millions of people either by accident or design;

WHEREAS the 122nd General Assembly of the PCUS in 1982 endorsed "A Call to Halt the Nuclear Arms Race," a proposal for a mutual, verifiable nuclear weapons freeze;

WHEREAS several synods, presbyteries, sessions, and congregations in both the UPCUSA and the PCUS have already endorsed the freeze;

WHEREAS we believe that a nuclear arms freeze is not only symbolic in value but also a first step in halting the nuclear arms race and working towards a reduction of these weapons of mass destruction;

BE IT THEREFORE RESOLVED, that we the members of Orange Presbytery do hereby endorse the action taken by our 122nd General Assembly of the PCUS, namely, we call for an immediate US-Soviet nuclear weapons freeze and subsequent reduction. To improve national and international security, the United States and the Soviet Union should stop the arms race. Specifically, they should adopt a mutual, bi-lateral, verifiable freeze on the testing, production, and deployment of nuclear weapons and their delivery systems. This is an essential, verifiable first step toward lessening the risk of nuclear war and reducing the nuclear arsenals of both nations.

9. All churches and other groups being funded by Orange Presbytery through the Council or Commission on the Minister's budgets who will have budget requests for 1984 should submit their requests to their respective Council Sections or to the Commission as soon as possible after June 1 because all budget requests must be in final reproducible form by September 1, 1983.

10. That Lloyd J. Skidmore, Jr. was elected Vice-Chairman of the Council of Orange Presbytery.

III. The following actions were approved:

1. That the recommendation of the Church Development Section that Presbytery share in the cost (up to $600) of enclosing a room in Wilson Gunn's basement which shall serve as his office be approved (funds for this are available in the Church Development budget. The existing equity agreement between Wilson and Orange Presbytery requires such approval, however, the Presbytery's share of the cost will be 37.5%).

2. That the Presbytery accept the resignation of Richmond Bernhardt from Council in order that he may devote his energies more fully to his service on the Orange Presbytery Foundation, and that a replacement for Mr. Bernhardt be selected at the next meeting of Presbytery.

Motion passed that the examination of Mr. Woodmansee for reception into Orange Presbytery be sustained in all areas and that he be enrolled as a member of Orange Presbytery. Mr. Woodmansee signed the Book of Ministerial Obligation.

REPORT OF THE COMMISSION ON THE MINISTER RESUMED

A. The Commission recommends to Presbytery that, pending a successful vote on reunion, the current members of the Commission on the Minister become members of the Committee on Ministry.

B. At the February 22, 1983, meeting of Orange Presbytery the following action was taken, "Salaries of all ministers of Orange Presbytery be brought up to Presbytery's minimum standards, retroactive to January 1, 1983, since Presbytery's contract with ministers clearly states that Orange Presbytery will assure that all salaries conform to the minimum."

On April 5, 1983, the Executive Committee of Council met with the Commission on the Minister to discuss concerns which have arisen as a result of the February 22, 1983, action of Presbytery. Since:

a. The 1983 Budget of Presbytery does not have more than $9,000 which can be used for raising ministers' salaries to the minimum and since it would take $86,447 to do so;

b. Most church budgets for 1983 had been adopted prior to the February 22, 1983, action of Presbytery;

c. Several churches were already engaged in a process to raise the salary to minimum over a specific period of time:

Therefore, in light of these facts and to provide flexibility in dealing with each situation on an individual basis, the Executive Committee and the Commission on the Minister make the following recommendations to Presbytery:

1. That Presbytery rescind its action of February 22, 1983.

2. That churches that have increased the minister's salary to the minimum since February 22, 1983, are to be commended and that other churches be encouraged to raise salaries as soon as possible.

3. That the Commission on the Minister negotiate with those churches paying less than the minimum to change the terms of call, to bring them in line with the minimum.

4. That the Commission on the Minister request churches that cannot comply with this minimum apply directly to the Joint Committee on Church Development and Support for financial assistance.

REPORT OF THE HAZARDOUS WASTE COMMITTEE

Phyllis Kort reported for the committee and the following Resolution was adopted by the court:

WHEREAS, God has given humankind dominion over the earth to care for, nurture, and preserve our soil and water for future generations,

AND WHEREAS, the disposal of hazardous wastes in landfills threatens to abuse, pollute and destroy soil and water, AND WHEREAS, North Carolina ranks as the eleventh largest producer of hazardous waste and the fourth largest generator of low-level radioactive waste in the nation,

AND WHEREAS, the dumping of PCB in a landfill in the Afton community of Warren County has focused regional and national attention to the problem of hazardous waste disposal, and has posed a possible threat to environment, agriculture and human safety in Warren County;

THEREFORE, BE IT RESOLVED, that Orange Presbytery expresses its concern for the residents of Warren County, and especially for the residents of the Afton community.

FURTHER, BE IT RESOLVED, that we commend the state of North Carolina for the careful monitoring of the landfill thus far, and that we urge the state to continue regular monitoring to assure the safety of the residents of Warren County.

FURTHER BE IT RESOLVED, that we commend Governor James B. Hunt for declaring a moratorium on landfills until new regulations can be developed, for promising to support legislation to prevent any future landfills in Warren County, and for promising to promote detoxification of the Afton site when an appropriate and feasible technology is developed.

FURTHER, BE IT RESOLVED, that we urge the Governor's Waste Management Board and the N.C. General Assembly to consider requiring, whenever feasible, the detoxification, recycling or incineration of all hazardous wastes that are produced, used or spilled in the State of North Carolina, in order that the future need for landfills might be drastically limited or eliminated, and we also urge the Board and the General Assembly to move as quickly as possible to clean up other contaminated areas.

FURTHER BE IT RESOLVED, that we urge the N.C. General Assembly to implement and enforce strict standards of liability that would require all producers and handlers of hazardous waste to make preparations for environmental damage and personal injury resulting from the failure to dispose of hazardous waste in a safe manner.

FURTHER BE IT RESOLVED, that we commend the Synod of North Carolina for having already established a Health Care Task Force, and we encourage the task force to consider the issue of hazardous waste in its report to Synod in 1985.

FURTHER BE IT RESOLVED, that we send an overture to the General Assembly of the Presbyterian Church (U.S.A.) to commission a study paper on the stewardship of the environment, which would address the theological, ethical and environment issues involved in the problem of disposing of the 40 million tons of hazardous waste produced annually in the United States.

This Resolution is to be sent to the following places:

Other member denominations of the National Council of Churches
North Carolina Council of Churches
The Governor of North Carolina

REPORT OF THE RESOLUTIONS COMMITTEE

WHEREAS Orange Presbytery is meeting this day, April 26, 1983, in the Caswell County Civic Center, Yanceyville, N.C.; and

WHEREAS presbyters and visitors have been graciously welcomed and sufficiently refreshed by the host churches; and

WHEREAS Presbytery's Council and Staff, Clerks and Moderator have thoughtfully planned for, and have effectively led us through the worship and work of this meeting;

BE IT THEREFORE RESOLVED:

That Orange Presbytery give thanks to God for his good purpose and gracious providence manifested directly by his Spirit and indirectly through his servants in this meeting;

That gratitude be expressed to the host churches, Bethesda, Griers, Oakview, Pleasant Grove, and Yanceyville, and particularly to their representatives who greeted us, and have served us, graciously, and extraordinarily in the untimely illness absence of the Civic Center custodian;

That appreciation be especially expressed to Mrs. Thomas "Lib" McPherson who, as Coordinator of the Host Churches' Planning Committee, so enthusiastically and informatively welcomed us and who, as Coordinator of the Child Nutrition Services Division of the Caswell County Schools, planned and, with her staff, prepared, served, and cleaned up after this delicious meal which, if typical of this county's school cuisine, makes the peanut-butter sandwiches some of us associate with school lunch time of good old days seem like 'poor pickins;'

That the Church thanks the State for services rendered this Church Court by the Caswell County Board of Commissioners and Sheriff's Department;

That the Presbytery express gratitude for such 'good press' as the Fourth Estate, represented by "The Caswell Messenger," may publish; and

That this Court of Christ's Church praise God for the Good News of His Kingdom he has called us to proclaim at home and abroad.

The financial statements of Orange Presbytery were received as information and admitted to record.

COMMUNICATIONS FROM THE STATED CLERK

James J. Watkins, Stated Clerk, presented the following communications:

1. The Clerk had received an Overture from the Community in Christ Church in Greensboro. This Overture was referred to the Bills and Overtures Committee.

OVERTURE
from
Community in Christ Presbyterian
Greensboro, North Carolina

Whereas, the new Book of Order (G-8.0701) provides for local congregations, which were previously members of the Presbyterian Church in the United States to be excused from the provisions of Chapter 8 regarding the church and its property; and

Whereas, it is not at all clear how the Presbytery will view a local congregation, who exercises this exception, if said congregation should in the future apply for financial aid; and

Whereas, the merits and implications of exercising or not exercising this exception received little or no public debate; and

Whereas, our Session has already begun examining the issue and found itself to be quite uncertain about the implications of exercising the exception; and

Whereas, our sense is that other Sessions have probably found themselves in the same position;

The Session of Community in Christ Presbyterian Church respectfully overtures the Presbytery of Orange, meeting at Peace College, Raleigh, North Carolina, July 18-19, 1983, to give its advice and counsel regarding local congregations exercising the exception regarding the church and its property (G-8.0701), specifically:

1. How will Presbytery regard a church which does exercise this exception, if said church, in the future, were to apply for financial aid?

2. How will Presbytery deal with two different groups of churches, namely those governed by Chapter 8 and those not?

3. Should local congregations wait, if there is not pressing reason, until after the Synod of Presbytery boundaries are redrawn, so as to decide on the basis of the style and constituency of that new Presbytery?

James M. Rissmiller, Moderator
Diane W. Stidham, Clerk of Session

2. The Clerk had received a communication from Dr. John MacLeod, Jr., General Secretary of the Synod of North Carolina.

3. The minutes of the April 26th and the Called Meeting of May 24th were approved for printing as the official minutes.

4. Motion was passed that requests for excused absences listed previously be granted by the governing body.

5. The Clerk had received Certificates of Dismissal for the following ministers pending their reception by Orange Presbytery: Presbytery of Atlanta for Jacob Lawson Kincaid, Jr.; Presbytery of Middle Tennessee for Mary McClintock Fulkerson; Presbytery of Middle Tennessee for Roger W. Jackie; Presbytery of Southeastern Illinois for Jon Michael Laidlaw.

6. Clerk had received Certificates of Transfer for the following candidates: Presbytery of Concord for Joanne Ruth Hull; Presbytery of Concord of Thomas Edward Lovell.

7. The minutes of the Commission to Install Richard Scott Woodmansee as pastor of the First Presbyterian Church in High Point were found in order and admitted to record.

RICHARD SCOTT WOODMANSEE

The Commission appointed by Orange Presbytery to install Richard Scott Woodmansee as pastor of the First Presbyterian Church met at the church in High Point on July 10, 1983 at 7 p.m. and was called to order by Charles Carter. Prayer was offered by Charles Carter. The following members were present: *Ministers:* Charles Carter, Joe Harvard and Z. N. Holler. *Ruling Elders:* Jim H. Hogg, Murray H. White, Jr. and Florence Womack.

Charles Carter was elected chairman and Murray H. White, Jr. clerk of the Commission. Guest minister James L. Mays of Norfolk Presbytery was welcomed and invited to sit with the Commission.

After organization, a quorum being determined, the Commission joined the congregation in a worship service at 7:30 p.m., the chairman presiding. James L. Mays preached the sermon using as his text Psalm 119:9-16 and his topic, "Thy Word In My Heart." James H. Hogg propounded the constitutional questions and Murray White, Jr. offered the prayer of ordination. Richard Scott Woodmansee was declared duly installed as pastor of First Presbyterian Church (U.S.A.) Z. N. Holler charged the pastor and Joe Harvard charged the congregation.

Richard Scott Woodmansee, the newly installed pastor pronounced the benediction. Following the service the Commission reconvened, read and approved its minutes and closed its meeting with prayer by Z. N. Holler.

8. The Clerk had received communication from the Honorable James B. Hunt, Jr., governor of North Carolina, acknowledging receipt of the two resolutions adopted at the April 26th meeting of Orange Presbytery.

9. The Clerk had received communication from the Stated Clerk of the General Assembly acknowledging receipt of the two resolutions adopted at the April 26th meeting of Orange Presbytery. They have been referred to the appropriate committee.

COMMITTEE ON RESOLUTIONS

Norman MacDowell, chairman of the Committee on Resolutions, presented the Resolution of Appreciation which was adopted by the governing body:

On this the forty-sixth Stated Meeting of Orange Presbytery, the first following reunion, we express gratitude to God for the opportunities and challenges of the years ahead and pray that God will guide us in doing His will as we reunite with our brothers and sisters in Christ.

On this occasion we therefore resolve:

That Presbytery express deep appreciation to the president and staff of Peace College for the gracious way in which they have entertained us.

That appreciation be expressed to the ordinands, Christopher Carlson, Joanne Ruth Hull and Thomas Lovell for sharing their experience in the faith and their interpretations of the Word.

That we rejoice in the call extended to our new Executive Presbyter, Al Thomas, and plege ourselves to upholding his hands.

That the Reverend David Handley know our appreciation for his inspiring and challenging messages.

That gratitude be expressed to our moderator, H. Edwin Pickard, for the winsome way in which he conducted this meeting of Presbytery and to the

Worship Committee for their careful planning of the worship experiences during this two day session.

Respectfully submitted by Margaret Terry, Bill Covington and Norman MacDowell, chairman.

REPORT OF THE BILLS AND OVERTURES COMMITTEE

D. J. Walker, Jr., chairman of the Bills and Overtures Committee, gave the report of the committee as follows:

The Committee on Bills and Overtures has met and recommends that the governing body give its advice and counsel as follows:

1. Presbytery's Council currently considers each application for financial aid on its own merit and any exception in the future should not affect their policy in any way.

2. Chapter 8 in the new Book of Order makes more clear by positive rule regarding church property that which is already the law without such a specific rule.

3. Yes, we advise congregations to wait as we have no idea where future boundaries might be drawn.

This report was adopted as amended.

The Stated Clerk was instructed to as soon as is feasible make available upon request an appropriate document for use by those churches of Orange Presbytery desiring to exercise the "exception" option of Chapter 8, paragraph 7, Plan of Reunion, in regards to the ownership of property.

REPORT OF THE COUNCIL

Z. N. Holler, chairman of the Council, presented the report which was adopted as a whole as amended.

The Council met on September 12 and October 4, 1983, First Presbyterian Church, Durham. The following items of Council business are reported for the information of the Presbytery:

1. The Council accepted with an expression of appreciation for his service Robert Pierce's resignation from Council and communicated the need for a replacement to the Nominating Committee of Presbytery;

2. Heard a report of the Executive Committee concerning annual evaluation of the work of executive staff members, Bauer, Ransford and Watkins and approved the Committee's recommendation for their continued employment in accord with the transition procedure adopted by Presbytery in connection with the call of the new Executive Presbyter;

3. Expressed profound appreciation to Sam Wiley for his faithful and effective work as Interim Staff Coordinator during an unexpectedly lengthy interim;

4. Heard a presentation from Betty Hayes and Bill Pleasants on September 12 concerning plans for the Capital Funds Campaign of the Presbyterian Home and pledged support for the campaign and its goal of $5,600,000 to be raised within the bounds of this Presbytery. As a result of subsequent communication with our own Capital Funds Campaign Committee the Council considered this action further on October 4 and after lengthy discussion with Charles Williams, Chairman of Presbytery's Capital Funds Campaign Committee, endorsed a series of recommendations interceded to serve as a basis for immediately initiating discussions between our Committee and the Trustees and Campaign Committee of the Presbyterian Home concerning the ways in which these two major financial efforts can best be coordinated and successfully completed in our Presbytery;

5. Continued the employment of Jeannene Wiseman as Interim Christian Educator and Betty Berghaus as Resource Center Specialist through December [illegible], 1983;

6. Assigned to the Court Administrative Services Section the task of studying and making recommendations in the matter of Presbytery's use of the portion of per capita tax [illegible] which was earmarked for covering the cost of hosting a PCUS General Assembly within our bounds;

7. Assigned to the Meetings and [illegible] Committee the task of proposing guidelines for distribution of materials from other than denominational sources at meetings of Orange Presbytery;

8. Discussed the matter of [illegible] the make-up of our Presbytery's various working groups into conformity with the requirements for inclusiveness and representation set forth in the new Book of Order and [illegible] this concern to the Stated Clerk and the Nominating Committee of Presbytery;

9. Authorized the Manual [illegible] to deviate from a previously approved schedule of preparation in order to take a more thorough look at our Presbytery structure in light of the new Book of Order, so as to assure that the finished form of our manual will comply with the latter;

10. Approved a $5,000 expenditure from our local Hunger Funds for support of the Twin Streams project to enable the unemployed due to closing of local industry to discover ways to develop new approaches to supporting themselves and their families;

11. Discussed the matter of sending two alternate commissioners to the 1984 meeting of the General Assembly and decided not to fund this in the 1984 budget because of (a) the cost involved and (b) the possibility that such alternate commissioners might be unable to attend the subsequent General Assembly;

12. Approved a recommendation of the Nominating Committee that District Meetings be called by the Stated Clerk in the near future in District III, IV and V in order to elect a layman from each District to serve on the Nominating Committee - thus to begin to bring the latter into fuller compliance with the Book of Order;

13. Directed the Stewardship Education Section to work in conjunction with the Budget Preparation Committee to develop a strategy to promote the ministry of Orange Presbytery, which will include contact with every church in Orange Presbytery prior to July 31, 1984;

14. Took action requesting that all asking groups submit not later than February 28, 1984 an estimated budget for 1985, 1986 and 1987 and that this submission of estimated askings be an annual part of the budget process;

15. Approved the attached record of attendance of members of Council during 1983;

Z. N. Holler, chairman, presented the recommendations of the Council which were adopted:

1. That the proposed budget of Presbytery for 1984 in the amount of $1,712,488 be adopted to be distributed as follows:

General Assembly	$523,336 (30.56%)

And that Presbytery hear Jim Miller, chairman of the Budget Preparation Committee, and others regarding the proposed budget.

WORSHIP AT NOON

A RITE FOR
A MEMORIAL FOR DECEASED RULING ELDERS
OF
THE PRESBYTERY OF ORANGE

CALL TO WORSHIP

Leader: "Behold, I looked and saw a vast throng, which none could count, from every nation, of all tribes, peoples, and languages, standing in front of the throne and before the Lamb. They were robed in white and had palm branches in their hands, and they shouted together"

People: "Victory to our God who sits on the throne and to the Lamb!"

Leader: "And all the angels stood round the throne and the elders and the four living creatures, and they fell on their faces before the throne and worshipped God, crying:

People: "AMEN! PRAISE AND GLORY AND WISDOM, THANKSGIVING AND HONOR, POWER AND MIGHT, BE TO OUR GOD FOR EVER AND EVER!" (Rev. 7:9-12)

IN MEMORIAM TO THOSE RULING ELDERS DECEASED IN THE PAST YEAR

Leader: Paul says, "It is required in stewards, that one be found faithful." (I Cor. 4:2) In this hour we profoundly thank God as we remember those saints, who by life and deed maintained a glorious faithfulness to the Gospel of our Lord Jesus Christ, especially those ruling elders of the Presbytery of Orange who in the past year have entered the Church Trimphant. In the spirit of prayer let us now hear the names of those elders for whom the bell of victory has so recently tolled summoning them into the full presence of the Living God.

* PRESBYTERY STANDING

The Committee on Ministry presents the following information to all ministers of Orange Presbytery concerning the Book of Order changes about the minister's relationship to the Presbytery. Beginning with reunion, this relationship has undergone some major changes.

The Book of Order (G-11.0502a) requires the Committee on Ministry to serve the Presbytery by making visits regularly with each minister of the Presbytery. It shall also report annually the type of work in which each minister of the Presbytery is engaged. At least one purpose of these visits will be the validation of ministry for determining continuing members for the next year.

The Presbytery shall determine the ministers of the Word who shall be its continuing members. In making this determination, the Presbytery shall be guided by ALL the following criteria: (G-11.0403)

a. The ministry of continuing members shall be in demonstrable conformity with the mission of God's people in the world as set forth in Holy Scripture, the Book of Confessions, and the Book of Order of this Church.

b. The ministry shall be one that serves others, aids others, and enables the ministries of others.

c. The ministry shall give evidence of theologically informed fidelity to God's word. This will normally require the Master of Divinity degree or its equivalent and the completion of the requirements for ordination set forth in G-14.0402.

d. The ministry shall be carried on in accountability for its character and conduct to the Presbytery and to other organizations and agencies, where appropriate.

e. The ministry shall include responsible participation in the deliberations and work of the Presbytery and in the worship and service of a congregation.

After visits have been made to ALL ministers, recommendations to Presbytery will be made concerning validation and continuing membership. All ministers will be continued on one of the following rolls: (G-11.0406; G-11.0412)

a. **Active -** engaged in a validated ministry which complies with ALL the criteria of G-11.0403 WITHOUT EXCEPTION. May be engaged in a ministry within a congregation, in other service to the church, in a ministry beyond the jurisdiction of this Church, or may be honorably retired.

b. **Member-At-Large -** engaged in a ministry which does not comply with all the criteria of G-11.0403, without INTENTIONAL abandonment of the exercise of ministry.

c. **Inactive -** engaged VOLUNTARILY in a ministry (occupation) that does not comply with all the criteria in G-11.0403. Is not entitled to take part in the meetings of Presbytery or to speak, vote, or hold office.

UNFINISHED BUSINESS

Matthew Whong, pastor of the Duraleigh Presbyterian Church in Raleigh, spoke on the Prayer Congress to be held June 5-10, 1984.

Motion passed that the Report of the Council be adopted.

REPORT OF THE CAPITAL FUNDS CAMPAIGN COMMITTEE

Charles Williams, chairman, spoke on the history and progress of the Committee. The following recommendations were adopted:

RECOMMENDATIONS

1. That the name of the committee will be: Orange Presbytery's Capital Funds and Mission Development Campaign Committee.

2. That a campaign be held in coordination with Presbyterian Home.

3. That Presbytery endorse the capital funds campaign of the Presbyterian Home, Inc., as approved by the Synod of North Carolina and commit itself to assist that campaign in raising the church's share of the $5.6 million to be raised within the bounds of Orange Presbytery and provide guidance in coordinating this campaign with the Capital Funds and Mission Development campaign of Orange Presbytery;

   That in those churches where the Presbyterian Home Campaign is presented during the months when these plans for our Presbytery campaign are being completed opportunity be given for simultaneous presentations, where possible, of the Presbytery's Capital needs;

   That after the Presbytery's campaign plans are completed, the two campaigns proceed jointly in their presentations to the churches;

   That the Presbytery direct the Capital Funds Mission Development Committee to initiate discussions immediately with the Presbyterian Home trustees and campaign leaders in order to develop a fully coordinated approach to these two campaigns within the bounds of Orange Presbytery.

4. That between now and that time that Presbyterian Home define in dollars the total askings of local churches in their campaign and clarify how they expect to raise the total amount of their askings.

5. That Council assume responsibility for looking at the requests (from Sections, etc.) in terms of priorities and make a recommendation to Presbytery concerning the realistic expectations of the total amount of the campaign.

6. That Presbytery affirms that the on-going task of determining a coordinated campaign continues to reside in our committee.

OLD BUSINESS

Gray Clark, chairman, reported for the Presbytery's Salary Task Force. The Task Force presented a study paper on which the following actions were taken:

1. received the report as information;
2. approved the use of the median salary figures from Harold Sedrel Management Consultant; however, the figures used should not be less than Presbytery's average of $20,542;
3. approved the recommendation on auto expense-travel based on actual cost at a rate of 21¢ per mile, the method of payment worked out between the minister and the session;
4. the report was approved as a whole.

NEW BUSINESS

Motion passed that Presbytery rescind its action taken at the July 18-19, 1983 meeting adopting a recommendation of the Bills and Overtures Committee that churches wait for further guidance before deciding the issue of "exception" to property provisions, as defined in the Book of Order, G-8.0700.

The following motion was tabled: That Presbytery concur in the advice of the Synod's Committee on Incorporation and Co-Stated Clerk of the General Assembly, James Andrews, that those churches choosing to claim the "exception" clause concerning property provisions, Book of Order, G-8.0700, do so at their earliest convenience.

The following churches have voted to be exempt from the provisions of G-8.0501 and G-8.0502 of the Book of Order:

Bethany Presbyterian Church in Graham
Mebane Memorial Presbyterian Church in Roxboro

The Bethel Presbyterian Church has voted to act on the exemption clause in the Book of Order G-14.0202 regarding officers for 1984. The reasons for the request for exemption this year are:

1. All officers elected under rotating terms - at the present time Paul Boone serves as a life elder in the church, and there was a desire for this to continue for the immediate future.

2. Election of a nominating committee - we have selected to use a different system for the past few years which works well for us. We don't want to change with so little time since Reunion, and no real time to work out another system.

3. Election of women - we have women on the session, the plan is open to them, but none were elected this year.

The Bethel Presbyterian Church's exemption was granted.

REPORT OF THE RESOLUTIONS COMMITTEE

On this forty-seventh Stated Meeting of Orange Presbytery we express gratitude to God for the opportunities and challenges of years past, of today, and of the years ahead, and earnestly pray for God's guidance in doing His will.

On this occasion, as we participate in the celebration of the 200th anniversary of this church, we therefore resolve:

That Orange Presbytery express thanks and appreciation to the minister, officers and members of Cross Roads Presbyterian Church for their warm and gracious hosting of this meeting;

That appreciation be expressed to Mrs. Carlisle Harvard for her caring and informative report on peacemaking;

That we rejoice in the installation of our new Executive Presbyter, Al Thomas;

That the Reverend Z. Holler know our appreciation for his inspiring and provocative sermon;

That gratitude be expressed to our Moderator, Ed Pickard;

That thanks be expressed to everyone involved in this meeting dedicated to the furtherance of God's work here and in the world.

MEETINGS AND DOCKET COMMITTEE

The Meetings and Docket Committee was given the task of studying the meeting of Presbytery and designing the meetings of Presbytery in a way which would more nearly meet the needs of all. After over one year working as a committee of Presbytery, building upon the work done by a previous task force, the committee shares its findings and recommendations.

FINDINGS:

1. No one Presbytery meeting can meet the needs of all those present.
2. Presbytery meetings must be designed to do the business of Presbytery first and other concerns must be secondary.
3. The business of Presbytery always includes worship, the work of Council, and the work of Committees on Ministry, Examination and Candidates.
4. Specific, allotted time must be given to each aspect of the work of Presbytery if the work is to be done effectively.
5. The entire meeting of Presbytery is important and a need exists to deemphasize anything like "prime time."
6. Those attending Presbytery know when Presbytery meets and should plan to stay for the entire meeting.

RECOMMENDATIONS:

1. That the attached proposed docket outline for Orange Presbytery be adopted.
2. That the Worship Committee be given two periods of time at each meeting:
    a. that rites for deceased Elders and Ministers be held at the April meeting for those deceased during the previous twelve months;
    b. that communion be observed at the April meeting;

c. that rites for Ministers retiring during previous twelve months be held at the July meeting.

3. That the Council report during the morning of each meeting and that sections, and committees under sections, in the organization of Presbytery that report to Council request time on the docket through Council and normally use the time allotted to Council.

4. That all other groups not under Council request time on the docket through the Meetings and Docket committee.

5. That any report not completed during the allotted time in the morning be completed under Unfinished Business.

6. That the Committees on Ministry, Examination and Candidates report immediately after lunch, and complete their Report.

7. That all reports be included in the Orange Book and ordinarily only those handouts approved by Council or Committee on Ministry will be distributed at Presbytery.

REPORT OF THE BOUNDARIES COMMITTEE

H. Edwin Pickard reported on the Boundaries Committee meeting held in December in Atlanta.

REPORT OF THE CAPITAL FUNDS AND MISSION DEVELOPMENT CAMPAIGN COMMITTEE

Charles Williams, chairman, presented the following report:

I. BACKGROUND

Orange Presbytery, meeting April 27, 1982, took the following action: "to approve the principle of a Capital Funds campaign in coordination with or alongside the General Assembly Capital Funds Campaign."

The Assembly's proposed campaign, in the light of the developing progress on re-union was cancelled.

Accordingly, in October, 1982, Orange Presbytery approved a Capital Funds Campaign for itself in the amount of approximately $5,000,000; and elected a Capital Funds Committee of fifteen persons, representative of the Presbytery, to proceed with laying the groundwork and overseeing a campaign. After organizing itself: (1) the Committee secured requests of needs which might become part of such a campaign from all the Divisions of Council and the Committee on the Minister - such needs as presented and defended by personal presentations totaling 4½ million dollars.

The Committee turned all these requests over to Council and asked that Council take responsibilty for establishing which requests could be part of a campaign and for prioritizing same. The result of Council's work is before you and represents a reduction from 4½ million to 3½ million made, in part, in light of the fact that by this time of Council's action we knew that our campaign would have to be coordinated with that of Presbyterian Home.

The Committee then engaged the Company of WARD, DRESHMAN, & REINHARDT, INC. of Worthington, Ohio, and contracted with them to do a feasibility study, testing both the identified needs and the total projected financial goal.

II. FEASIBILITY STUDY

The study itself was planned and concentrated within a three week period of January of this year.

The study used the CLUSTER method to present information about the proposed campaign to groups of ministers and lay men and women throughout the Presbytery. Twelve Cluster Meetings were held, including at least one in each of the seven (7) districts. Each was hosted by a person or persons invited to do that, and guests who attended were also personally invited.

The first three Cluster Groups were of ministers - in the Greensboro, Raleigh, and Durham-Chapel Hill areas.

The remaining nine Cluster meetings were held in Asheboro, High Point, Reidsville, Greensboro, Raleigh, Henderson, Durham, Graham, Smithfield.

Our new Presbytery Executive, Dr. Al Thomas, made a presentation verbally or with a slide presentation to which participants were invited to respond with comments and questions. Each guest was presented a summary of the capital needs in written form similar to what you now have before you.

Comments and questions and responses were carefully recorded and these were evaluated after each meeting and are part, of the feasibility study report.

Analysis: A total of

70 churches were represented in the study;
43 pastors heard the presentations
62 laymen and 31 laywomen participated
with a grand total of 136 persons

In addition there were a number of individual contacts and discussion with persons who did not participate in a cluster group.

RESULTS:

(1) The needs tested well throughout the Presbytery, with NEW CHURCH DEVELOPMENT as a first priority everywhere. Some areas had their own particular interests. RESULT: Your Campaign Committee feels that the Presbytery as a whole will support the needs as set forth before you.

(2) The Committee feels also that, with a well planned and executed campaign, the 3½ million dollar goal is well within our reach.

MOTION #1

That whereas Orange Presbytery authorized a capital funds campaign for its own needs and mission in October of 1982;

And whereas a feasibility study has been completed in which (1) new church development, renovation and upgrading of the two camps, development of a conference center, construction of a Presbytery Office after clarification of boundaries, and purchase of a North Carolina Correctional Center for Women After Care facility, tested well throughout the Presbytery; (2) and the recommended financial goal of $3,500,000 has been appraised as realistic and obtainable;

And whereas Presbytery's Council, having been involved with identifying and prioritizing the needs reflected in the proposed campaign, and by its own action now endorses it;

The Capital Funds and Mission Development Committee now therefore recommends that Orange Presbytery approve a capital funds campaign in the amount of $3,500,000 for those needs shown on the attached part of this report, and as indicated by dollar amounts.

I.	Church Development	$ 1,600,000
II.	A. Camps	763,650

IV.	NCCCW After Care Facility	75,000
V.	Estimated Campaign Expenses	175,000

This motion was passed with the following amendment:

I.	Church Development	$ 1,600,000

Comments:

Report on 1982 review is incomplete. Thirty-three churches remain to be reviewed or reported. The 1983 review has begun.

REPORT OF THE CAPITAL FUNDS AND MISSION DEVELOPMENT COMMITTEE CONTINUED

Charles Williams, chairman, presented the rest of his report and the following motion was adopted:

That whereas Orange Presbytery, in its October 1983 meeting, endorsed the capital funds capaign of the Presbyterian Home, Inc., as approved by the Synod of North Carolina, and pledged itself to assist that campaign in raising the churches' share of the $5.6 million to be raised within the bounds of Orange Presbytery;

And whereas the Executive Committee of the Presbyterian Home Board of Trustees, in its meeting on February 16, 1984, approved the principle of a coordinated and unified campaign within our Presbytery;

The Capital Funds and Mission Development Committee therefore recommends that Orange Presbytery approve a single, coordinated campaign which will include a unified approach to churches, proportionate sharing of undesignated gifts, impartial negotiations in possible overlapping of leadership gifts, with details of such a unified campaign such as schedule, campaign organization, and the like to be negotiated and planned in concert.

REPORT OF THE RESOLUTIONS COMMITTEE

The following resolution from Tim Kimrey, Church of Reconciliation, was adopted:

Whereas, Orange Presbytery recognizes the need and sees the opportunity to now raise $3.5 million in a Capital Funds Campaign, said funds to be used to continue to "build Christ's Church in our area;"

And whereas, Orange Presbytery intends to be an open and willing partner in the difficult and complex process of actually effecting the formation of the new Presbyterian Church (U.S.A.) in the coming years;

Now therefore, Orange Presbytery hereby commits itself, both in the raising and expenditure of said capital funds, to give good faith consultation and dialogue with our former UPCUSA brothers and sisters, making no unilateral decisions with regard to building new churches but together working to shape and develop the mission of our new church.

Scott Woodmansee, chairman of the Resolutions Committee, presented the following resolution which was adopted:

Be it resolved that we express appreciation to the members, officers, and minister of St. Giles Presbyterian Church for their hospitality and graciousness in hosting Presbytery. This fine facility in a beautiful setting, coupled with excellent planning, has greatly enhanced our meeting. Our Moderator, Robert W. Scott, has led us with decorum, gentle firmness when needed and with a pleasant attitude. We also express our gratitude to our Clerks, Executive Presbyter and support staff whose efforts are indispensable. This meeting has provided enough talk to encourage solitude and meditation upon returning home.

FINANCIAL STATEMENTS

The financial statements of Orange Presbytery were received as information and admitted to record.

ADJOURNMENT

The governing body adjourned with worship at 4:20 p.m.

STATEMENT OF PURPOSE

SCRIPTURE (antiphonally) *I Corinthians 12:4-14*
(left and right as you face the pulpit)

left: There are different kinds of gifts, but the same Spirit.
right: There are different kinds of service, but the same Lord.
left: There are different kinds of working, but God works through them all.
right: Now to each one the manifestation of the Spirit is given for the common good. To one there is given through the Spirit the message of wisdom, to another the message of knowledge by means of the same Spirit;
left: To another faith, to another gifts of healing by that one Spirit.
right: To another miraculous powers, to another prophecy;
left: To another the ability to distinguish between spirits . . .
right: All these are the work of the same Spirit, and god gives them . . .
left: The body is a unit, though it is made up of many parts;
right: And though all its parts are numerous, they form one body.
left: So it is with Christ! For we were all baptized by one Spirit . . .
right: Into one body — whether Jews or Greeks, slave or free — and we were all given the one Spirit.
left: Now you are the body of Christ
right: And each one of you is a part of it.
left: If one part suffers, every part suffers with it;
right: If one part is honored, every part rejoices with it!

Orange Presbytery is greatly indebted to Graham Presbyterian Church for its gracious hospitality in welcoming and entertaining this governing body today, on this Thursday, April 26, 1984 for its 49th Stated Meeting.

We thank you for all the ways that made our meeting today a pleasant and effective one; for your friendly members who greeted us as we arrived in the parking lot, for your helpful hosts and hostesses for their assistance, for the warm and genuine welcome by Elder Ted Hruslinski, for the delicious refreshments, for the ample, tasty and filling noon meal, and for every other gesture of kindness, helpfulness and assistance given to us during our meeting.

We therefore resolve, that Orange Presbytery duly, appropriately and gratefully express its deepest appreciation to the minister, organist, staff, officers, women of the church, and members of Graham Church, for all thought, effort, work and thorough preparation for our meeting today.

We thank our expeditious and gracious Moderator, Bob Scott, who confidently and effectively led us through the business at hand.

We thank Julia Strope and David Hoffelt, who, as our worship leaders, obviously had given much time and effort to making our worship meaningful. And we also thank all others who assisted in our worship and celebration of the Lord's Supper.

We thank all members of the staff of Presbytery for their leadership and preparation for this meeting.

We praise God for His presence with us, for the joy of our coming togetheer, and the challenging of our going out. We seek God's continuing blessings upon the work of Orange Presbytery.

4. Council authorized the preparation of a memorial statement for John Van Bruggen by the Administrative Services Section for presentation to the Presbytery and inclusion in its minutes.

MEMORIAL

TO

JOHN VAN BRUGGEN

Convening at its stated meeting on October 23, 1984 at the First Presbyterian Church, Greensboro, North Carolina, Orange Presbytery records with sorrow and respect the accidental death of John Van Bruggen on August 4, 1984. He was a servant of God, a dedicated member of Presbytery's Council and a valued contributor to the Administrative Services Section. John's gift, which God's grace had given him, was rooted in the modern technology of computers. He had a mind in which abstract theories took shape, yet he served the Presbytery Office in so many tangible ways—contributing his time and talent to the ongoing business of this Presytery. John was a quiet individual, quick to smile, congenial in our company; yet, when he spoke, there was a deliberateness which commanded respect and a listening ear.

We give thanks for the life and work of John and resolve that this expression of our sorrow and esteem be recorded in the official minutes of this body, that a copy thereof be sent to his family as an expression of our love and support for them in their bereavement and our unfailing hope for the future in the faith in Christ which we all profess.

5. Council approved the extension of its present relationship with Betty Berghaus through December 31, 1984.

6. Council adopted the following mid-year salary adjustments for staff on an annualized basis beginning October 1, 1984: Paul Ransford, $1,000.00; Kay-Robert Volkwijn, $500.00; and Charles Noonan, $500.00.

7. Council approved the joint funding for 1985 for the Tithe of Life program among the Leadership Development, Church Development and Special Missions sections.

8. Council established a Task Force on Aging to be composed of persons selected by the Nominating Committee.

9. Council authorized the Camp Section to expend up to $9,500.00 from designated resources for the purchase of a vehicle for use at Presbyterian Point.

10. Council authorized a capital expenditure by the Camp Section of $7,568.00 for electrical improvements to Camp New Hope.

11. Council informs the Presbytery of the availability of Dr. and Mrs. Lawrence Richards as missionaries-in-residence and commends them to any congregations as might have resources to provide such a program.

12. Council reports that the information gathered at the September 18, 1984 Called Meeting of the Presbytery for the Mission Design Consultation has been organized by the Executive Committee and mailed by the Stated Clerk to the General Assembly.

13. Council approved the 1985 budget of the Hunger Committee.

Norman Whitney, chairman, presented the recommendations of the Council which were adopted:

1. Adopted the Proposed Operations Manual of the Presbytery of Orange (Part II) as presented by the Manual Committee. This manual will become effective on June 1, 1985.

I. INTRODUCTION

A. Preface and History of the Committee's Work

(To be appended)

B. **History of "new" Orange Presbytery**

Orange Presbytery, as it is presently constituted, began its existence at the first stated meeting on January 18, 1972 at First Presbyterian Church, Burlington, N.C. This meeting was preceded by two joint meetings of Granville and Orange Presbyteries on March 23, 1971 and November 16, 1971 to determine the structure for the new Presbytery to be formed by the merger.

A manual for the new Presbytery was adopted at the November 16th joint meeting and served as the basic structural document for the new Presbytery. The structure adopted consisted of three equal Divisions: (1) Elders, (2) Education and Mission, and (3) Court Operations. A twenty-member Council provided oversight and coordination. A Commission on the Church and Its Ministry, and a Commission on Presbytery's Minutes were empowered to act on behalf of the Presbytery in certain limited areas. Three co-equal staff positions were defined and approved.

The Presbytery agreed to evaluate the organizational structure every three years to assure that necessary adjustments would be made to keep the structure in tune with the needs of the court. The first evaluation was in 1975, and made no major recommendations for structural change. The evaluation in 1978 did result in recommendations for major structural change. These recommendations were adopted by the Presbytery on October 24, 1978 and the existing manual was suspended. The changes were:

(1) That a fifty-member council be formed to coordinate the work and finances of the Presbytery, deploy staff and recommend goals to the court;

(2) That a Staff Director be called to serve as head of staff and other professional staff be called as part of a flexible team of staff associates;

(3) That the Presbytery be divided into geographical districts which would meet regularly prior to meetings of Presbytery;

(4) That the Commission on the Minister and a newly formed representative Nominating Committee report directly to the Presbytery;

(5) That a Budget Preparation Committee be appointed to negotiate and prepare the budget.

Since 1978 there has been no official manual of Orange Presbytery to serve as a guide for the governing body. Due to the complexity of the organization, and the need for clarity about the interrelatedness of the structure, a new manual has been requested.

C. A Theological Statement for Orange Presbytery

The primary goal of Orange Presbytery, like that of the Church as a whole and in each of its parts, is to witness to the creating, saving, and fulfilling acts of God in Jesus Christ; through the presence and power of the Holy Spirit.

Secondary goals are consistent with the primary goal and derive from it: for exploration, enabling, equipping and establishing forms and styles of ministry to, by, and through local congregations.

Ministry is defined as our participation in God's continuing action in Jesus Christ by His word and spirit, which determines our needs and awareness of them.

(Adopted by Presbytery October 24, 1978)

II. ORGANIZATION OF ORANGE PRESBYTERY

A. Structure

1. Officers

The officers of Orange Presbytery are elected by the Presbytery according to its regular procedure for nominations and elections described elsewhere in this manual. The officers and their duties are:

a. **Moderator**
The Moderator presides at all meetings of the Presbytery for one year. In case of the Moderator's absence, the most recent former Moderator in attendance presides. The Moderator authenticates the records of the governing body and other documents within the sphere of that office, and serves as an ex-officio member of the Council and the Council's Executive Committee. Ordinarily the Moderator is elected at the last stated meeting of a calendar year, and takes office at the first stated meeting of the following calendar year.

b. **Stated Clerk**

The Stated Clerk serves the Presbytery as its legal officer. The clerk staffs the Committee on Presbytery Meetings and Docket, has oversight of the annual statistical report, writes the digest of Presbytery meetings and performs other duties required by the constitution of the Presbyterian Church (U.S.A.). The Executive Presbyter of Orange Presbytery serves also as its Stated Clerk.

c. **Treasurer**

The Treasurer has oversight of the finances of Presbytery and works with the Administrative Services Section, the Orange Presbytery Foundation and any regular or special financial campaign approved by the Presbytery. The Treasurer is responsible for coordinating all financial reports and for insuring that the financial policies and procedures of Presbytery are followed. The Staff Associate for Finance ordinarily serves as the Treasurer of Presbytery.

2. **The Council and its Working Units**

The work of Orange Presbytery is accomplished through a Coordinating Council and its working units, which are:

The Committee on Ministry
The Administrative Services Section
The Leadership Development Section
The Special Missions Section
The Camps Section
The Church Development Section

The Council is composed of the chairpersons of each of the working units, who serve for one year, and may be re-elected once; the Moderator of Presbytery; the Executive Presbyter; and twelve (12) members-at-large elected by the Presbytery through its regular procedures. Members-at-large serve terms of three years, and may not be re-elected for a period of at least one year following the end of a regular term. Members elected to fill an un-expired term of less than eighteen (18) months may be re-elected to one full term.

The officers of the Council are a Chair, Vice-Chair and Secretary, and are elected by the Council upon nomination by the Executive Committee. Officers serve a term of one year, and are ordinarily elected at the last meeting of the year, and take office at the first stated meeting of the following year.

a. **Internal Committees of the Council**

(1) The Executive Committee is composed of the Officers of the Council, the Executive Presbyter, the Moderator and one member of the Council elected by the Council. The Executive Committee is responsible for preparing the agenda for Council meetings, serves as the nominating committee for the Council, and performs other duties as may be assigned to it by the Council. The officers of the Council serve as officers of the Executive Committee.

(2) The Budget Preparation Committee is composed of seven members of the Council, elected annually by the Council. This committee is responsible for developing the annual budget for all Presbytery activities in consultation with the working units of the Council and others who may be included in the budget. The committee presents its work to the Council, which is then responsible for making appropriate recommendations to the Presbytery. The Chair of the Council appoints one member of this committee to serve as Chair. The committee Chair appoints a Vice-chair and a Secretary.

(3) **The Personnel Committee** is composed of seven members of the Council, elected annually by the Council. This committee is responsible for annual review of the work of the Executive Presbyter, and for reviewing the evaluation of other employees of Presbytery in accordance with the personnel policies. This committee is also responsible for making recommendations to the Budget Preparation Committee regarding staff salaries and benefits, serving as an employee-grievance committee, and providing employment guidelines to local churches upon request. The Chair of the Council appoints one member of the committee to serve as Chair. The committee Chair appoints a Vice-chair and a Secretary.

b. **The Working Units of the Council**

The program of Presbytery is carried out by the Council through six working units, which are represented on the Council by their chairpersons. These working units may establish **internal committees** composed of members of the working unit, but must have the permission of Council or Presbytery before establishing subcommittees, task forces, or other units which have members who are not part of the working unit. Each working unit has twelve members, divided into three classes of four members each. Members may serve no more than two consecutive terms. Members of the working units, committees, task forces or other subsidiary units (other than internal committees of the unit) are elected by Presbytery according to its regular procedures for nominations and elections.

The Working Units, and their areas of responsibility are:

(1) The Committee on Ministry, which has those responsibilities assigned to it by the BOOK OF ORDER; the care of candidates; the pastoral care of ministers and their families; the visitation of Sessions of member churches of Orange Presbytery; the professional development of ministers and church educators in Orange Presbytery; and, with the Church Development Section, concern for the financial support of ministers serving churches of Presbytery.

(2) **The Church Development Section** has responsibility for the establishment of new congregations in Orange Presbytery; for strengthening and re-developing existing congregations; and, with the Committee on Ministry, for the financial support of ministers serving churches in Orange Presbytery.

(3) **The Leadership Development Section** is concerned with those programs and plans that strengthen individuals and congregations of Orange Presbytery. Some areas of concern addressed by this Section include Christian Education, Resources and Leadership Development, Youth Work, Men's and Women's Work, Stewardship Education, Worship Education, Singles' Ministry. The Presidents of the Men and Women of the Church, Chairpersons of the Committee on Women's Concerns and Youth may be invited to serve as advisory members of this Section. An **internal committee** of this Section works with an **internal committee** of the Camps Section to plan for the most effective use of the human and material resources of Orange Presbytery in carrying out its educational ministries.

(4) **The Camps Section** is concerned with the efficient and effective operation of the camp facilities and programs of Orange Presbytery. This includes camp administration and operations; scheduling of the summer program and year-round camp use; and working, through an **internal committee,** with the Leadership Development Section to plan for the most effective use of the human and material resources of Orange Presbytery in carrying out its educational ministries.

(5) **The Special Missions Section** has as its primary focus the programs in which we engage in a corporate way in and beyond the work of the local church. The scope of its work includes,

but is not limited to: hunger action, higher education, criminal justice, peacemaking, refugees, urban ministries, ecumenical relations and international mission.

(6) **The Administrative Services Section** serves as the support arm for the work of the Presbytery, and has responsibility for supervision of Presbytery's finances, property, insurance and investments. This Section is also responsible for the preparation of the docket of Presbytery, which is presented to Council; and for those programs which interpret the work of Orange Presbytery and the higher governing bodies of the church so that Presbyterians are encouraged to support that work with their gifts of time, talent and treasure.

C. Meetings

The Council, its working units, committees and sub-committees may meet as often as necessary to accomplish the work assigned to them. The Council meets at least quarterly.

3. Districts

Orange Presbytery is divided into seven (7) districts. Each of these districts meets at least annually for the purpose of nominating persons to Presbytery's Nominating Committee, and meets at other times at the call of the district Chair, who is appointed by the Moderator of Presbytery, or when directed to meet by the Council of Presbytery.

4. Nominating Committee

The Nominating Committee has twenty-one (21) persons—one minister, one layman and one laywoman from each of the seven (7) districts, serving three-year terms, divided into three classes, with one class being elected each year at the last stated meeting of the Presbytery. Members are nominated by district meetings, although additional nominations may be made on the floor of Presbytery. Members serve one full term, except that a member who has filled an unexpired term of less than eighteen months may be re-elected to one full term.

The Nominating Committee is responsible for nominating to the Presb ytery persons to serve as officers of Presbytery, members of Council, members of the working units of Council, and all permanent committees, boards or commissions of the Presbytery except as may be described otherwise in this manual.

5. The Committee on Representation

The Committee on Representation functions to guide the Presbytery in implementing the principles of participation and inclusiveness in all committees, councils, boards and commissions elected by the Presbytery. This committee has nine (9) members divided into three (3) classes, each of which serves for three (3) years. Members are elected by the Presbytery at its last stated meeting of each calendar year. Members are nominated and elected by the regular procedures for nominations and elections and in accord with the formula set forth in the BOOK OF ORDER, G-9.0105.

6. The Permanent Judicial Commission

Orange Presbytery has a Permanent Judicial Commission of nine (9) members, each of whom serves a term of six (6) years. The Commission is divided into three (3) classes of three (3) members each, with a new class being elected in each even-numbered year, according to the Presbytery's regular procedures for nominations and elections and the rules in chapter D-4 of the BOOK OF ORDER.

7. Trustees

Orange Presbytery has six (6) Trustees, divided into three classes serving three years each. The Trustees have oversight of the real property of the Presbytery, and have responsibility for making recommendations to Presbytery regarding the purchase, sale, or transfer of real property or other capital expenditures in excess of ten thousand dollars ($10,000).

Trustees serving Orange Presbytery, the Orange Presbytery Foundation, and schools and colleges related to Orange Presbytery are elected by the Presbytery and are responsible to the Presbytery.

8. The Orange Presbytery Foundation

The Orange Presbytery Foundation is a not-for-profit corporation organized exclusively for charitable, religious, educational and scientific purposes. The Foundation is under the direction of a Board of Trustees who are elected by and are responsible to Orange Presbytery.

9. Presbytery Staff

Orange Presbytery's professional staff is composed of an Executive Presbyter and such Staff Associates as the Presbytery may wish to employ.

The Executive Presbyter is elected by Presbytery. Staff Associates and Class I employees (according to the designation of the Board of Annuities and Relief) are elected by the Council. Support Staff (Class II and III employees) are employed by the Executive Presbyter, with the exception of the support staff related to Camps, who are employed by the Staff Associate for Camps and Conferences.

B. Meetings of Presbytery

1. Time and Place of Meetings

Orange Presbytery ordinarily holds four Stated Meetings each year, with the time and place set by the Presbytery. Adjourned or Called meetings are held as often as necessary to conduct the business of the Presbytery. Such meetings are held at the call of the Moderator or at the request of the Council or the Committee on Ministry according to the provisions of the BOOK OF ORDER.

All meetings of Presbytery are held on a self-entertaining basis. Invitations for meetings are received by the Meetings and Docket Committee of the Administrative Services Section for recommendation to the Presbytery through the Council.

2. The Docket

The docket for Presbytery meetings is prepared by the Committee on Meetings and Docket, a sub-committee of the Administrative Services Section of Council. The docket (Orange Book) is mailed to each member church and each member minister at least ten (10) days prior to the meeting of the governing body.

Meetings are opened with prayer, and each meeting includes a time for worship. The Sacrament of the Lord's Supper is celebrated at least once each year. Appropriate memorials for deceased Elders and Ministers are included in worship annually.

New business for a particular meeting must be delivered in writing to the Stated Clerk prior to the announced time of the meeting at which it is to be considered.

3. Rules

The rules governing the transaction of business in the meetings of Orange Presbytery are those found in the BOOK OF ORDER of the Presbyterian Church (U.S.A.); this manual; and **Robert's Rules of Order, Newly Revised** (the most current edition).

4. Attendance

The voting membership of Orange Presbytery is composed of all the Ministers on the roll of Presbytery, and the Elder commissioners elected by member churches according to the rules of the BOOK OF ORDER. Directors of Christian Education and Church Business Administrators of member churches are accorded the privilege of the floor, but do not have a vote.

Visitors from member churches or elsewhere are welcome to attend all meetings of Orange Presbytery unless the Presbytery declares an executive session.

C. Ratification and Amendment of Part II of this Manual

Parts I and II of this manual are effective upon ratification by a two-thirds majority of those voting at any stated or called meeting of Orange Presbytery, provided that notice of at least seven (7) days has been given that such a vote is to be considered. The Presbytery may set, by majority vote, a later effective date for the provisions of this manual.

Parts I and II of this manual may be amended at any stated or called meeting of Orange Presbytery by a two-thirds majority of those voting provided that notice of at least seven (7) days has been given that amendment of this part of the manual is to be considered.

SPECIAL NOTE!! The listings below each of the "working units" of the Council are areas of concern, not committees. Each 'working unit' will need to decide for itself which of these, or other areas which may be assigned to it, it wants to handle as a 'committee of the whole', which will be given to an 'internal committee' of the unit, and which will be assigned to a sub-committee. The erection of a sub-committee would need the approval of the Council or the Presbytery, and its members would be elected by the Presbytery according to its regular procedures for nominations and elections.

While three Internal Committees are shown here, the actual number would vary according to the needs and desires of the 'working unit'

Sub-committees would have their membership from the Presbytery at-large, and would be elected by Presbytery according to its regular procedures. Sub-committees could be set up only with the permission of the Council or the Presbytery. 'Working units' would be free to specify the size of the sub-committee, and the method for selecting its chairperson, so long as the membership number is divisible by three.

SPECIAL NOTE!! This is a **suggestion** of how a 'working unit' might choose to organize itself. Some Sections might prefer to handle all of their business as a 'committee of the whole', and others would choose still other methods. The primary idea is to provide maximum flexibility to each unit in choosing how to get its tasks accomplished.

2. That the North Durham work be organized as a congregation consonant with the "Policy and Strategy for New Church Development in the Presbytery," adopted by Orange Presbytery at its July 24, 1984, meeting and that a Commission be erected and empowered to organize the North Durham Congregation in North Durham as a Congregation of the Presbyterian Church (U.S.A.) on November 18, 1984 at 4 p.m. in the Mt. Sylvan Ruritan Club Building, Durham, NC. And that a congregational meeting be held immediately following for the following purposes:
   1. the congregation to choose its name,
   2. to have a vote on calling Graham C. McChesney as minister (if not called, then to elect a minister nominating committee),
   3. to approve terms of call and install Graham C. McChesney as minister, if elected.

   The Commission will act as the Session, supervise the election of officers, their training, examination and installation, all to be accomplished by March 31, 1985. The following will serve on this Commission:

   Ministers:
   Herbert Underwood
   Ed Henegar
   Jim Grubb
   Graham McChesney (organizing pastor)

   Elders:
   Jack Adams, Blacknall
   Louis Swanson, Trinity Avenue
   James Ketch, Westminster, Durham
   B. J. Seitzer, First Durham

   Also serving as advisory members of the Commission when it is meeting as a Committee will be: Jerry Swanson, Trinity Avenue, and from the North Durham Congregation Charlotte Barnard, Scott Buck and Call Smith. These are present members of the Steering Committee.

3. Approved the Amended Budget for 1985 with a 1.53% increase over the budget adopted on July 24, 1984. Note: The 1985 Askings to Local Churches reflect the 1985 Amended Budget totals.

4. Adopted the recommendations of the Conference Center Task Force as follows:
   a) that the Conference Center Task Force is accountable to the Presbytery through the Council.
   b) Conference Center Task Force's task is to receive programmatic needs of the Presbytery through the Council and its sections, to recommend facilities in which to accomplish those programs and to implement the completion of those facilities approved by the Presbytery.

c) that the Conference Center Task Force receive the report of the Task Group on Camp Use to the Division of Education and Mission, dated December 8, 1977 as in its essentials the basis upon which to receive and to evaluate the recommendations from the Sections of Council.

d) that the Presbytery approve the selection of Camp New Hope as the site of any Conference Center.

5. Endorsed the request of the Butner congregation for funding from the Synod of N.C.

6. Approved the request of the University Church to purchase property for expansion.

7. Gave permission to the First Church, High Point, to sell a portion of its property.

We pray in the name of Christ who walks with us. Amen.
